Rainsburg is a small, quiet, and exceedingly healthy town, in the midst of beautiful scenery, and sufficiently removed from the influence of large towns and cities to render it a most desirable location for a Literary Institution. Its inhabitants are moral and religious, and there are few temptations to vice, idleness or dissipation; situated in a rich agricultural section, this Institution for Young Ladies and Gentlemen, is decidedly the *cheapest* in the country. It is organized on the most approved plan of the best Institutions of the land; its main object is, to impart *sound learning*. All branches, Scientifical, Classical and Ornamental, taught. The mental and moral culture are carefully attended to, and (without sectarian prejudices) a due respect for religion is inculcated both by precept and example. TRUTH FROM THE RECORD OF 1864.

SHODDY AGAINST THE PRIVATE SOLDIER.

CLYMER FOR THE SOLDIER!

The disunion press is full of *lies* in regard to the action of Democratic Senators in 1864, before the Senate was organized. After its organization, viz: on the 30th of March, 1864, Senator Hopkins offered the following resolution: (See Record, page 536.)

Resolved, That the Committee on Federal Relations be instructed to bring in a joint resolution instructing our Senators and requesting our Representatives in Congress to vote for a law requiring the payment of non-commissioned officers and privates in the service of the United States in coin or its equivalent.

Upon this resolution Senator CLYMER now the Democratic candidate for Governor, spoke as follows: (See Record, page 538.)

I did not know, sir, that the Senator from Washington (Mr. Hopkins) was about to offer a resolution of this kind; had I been aware of the fact, I might have been able to form a more correct judgment as to his intentions in so doing.

JUSTICE TO THE SOLDIER.

I presume he designed to perform an act of simple justice to those who, on the tented field, are struggling for the maintenance of this Government. He himself avows his intention to place this meritorious class of our fellow-citizens, so far as relates to their pay, upon a footing with those sleek, well paid, well fed, truly loyal, and most discreet gentlemen who, in this time of trial, are idling sunny hours in the courts of Europe as our foreign ministers, while the soldier is enduring the pains, the trials and the dangers of a campaign. Contemplate the picture; the one class clothed in purple and paid in gold, the other clad in homespun and paid in greenbacks! The one surrounded by all the luxury which gold can buy, the other in their individual persons and in their families, enduring all the want and misery which paper money ever entails! An unprejudiced observer, sir, would not, it seems to me, be likely to attribute any sinister or improper motive to one who attempts to equalize in some degree the condition of these two classes. Surely, sir, the disparity between one hundred sixty dollars a year—the wages of a soldier—pain greenbacks—and the salaries of our foreign ministers, ranging from seven to twenty thousand a year, paid in gold, is of such magnitude that it should not be "disloyal" to attempt to equalize it.

DEEDS, NOT WORDS.

To me, sir, it is strange, passing strange, that those who profess so much love for the soldier, who are eternally parading themselves as the "soldiers' friends," who would make the soldier believe that every one outside the pale of their political communion is his enemy, whose whole stock in trade is to yell that they are "loyal," and to boast that they love the soldier better than wife or child, should here to-day resist a proposition so fair and just. By your deeds you shall be tried. Honeyed words of flattery cost nothing. To sustain this resolution and the enactment of its purpose into a law, might impose some slight additional taxation upon your "loyal" gentleman, and that would cost something. You cannot afford that. Oh! no! Fulsome praise, laudation without stint—that you can give; it is in your line; but when the soldier asks for the means wherewith to supply his wife and little ones with the bare necessaries of life—which, owing to the vicious system of finance inaugurated by Republican rulers, have been raised to fabulous prices—you turn your backs upon him and brand as "disloyal" every man who dares to advocate his claims. That is a species of disloyalty of which I, for one, am neither ashamed nor afraid. If it be "disloyal" to stand by, guard, protect and defend the poor and humble against the rich and powerful; to be in favor of the soldier rather than of the shoddy contractor, then I am disloyal. It is a kind of disloyalty of which you, gentlemen on the Republican side, will never be accused by those who know you. Where the spoils are, there will your hearts be also.

USURPATION OF THE SENATE.

Possibly, sir, the Senator from Washington offered the resolutions with an additional motive—that was, to relieve himself, and those who act with him politically, from the base and unfounded charge that we were opposed to an increase of the pay of the soldier. When this Senate was unorganized, as we then believed, and as you subsequently admitted by proceeding to elect a Speaker, a resolution was offered on the opposite side of this chamber, instructing our Senators and requesting our Representatives in Congress, to vote for a bill increasing the pay of the soldiers. We then voted against it, as under similar circumstances we would to-day. We told you then that by no vote of ours would we *ever* recognize your high-handed act of usurpation. We told you we would vote against any and every resolution, even should you offer one asserting the divinity of God himself. We stood up for a principle, and we triumphed. You offered the resolution, as you offered others, for the purpose of making clap-trap capital against us amongst the soldiers and others. You paraded our vote throughout the State as a high crime and a sin, when you knew in your hearts that every representation you made, as to our position, was simply false. But the resolution of the Senator from Washington has unearthed you. It has stirred up a fearful commotion amongst the ranks of the faithful. You gnash your teeth in impotent rage, and are swollen up with undischarged bile. You rave and fume and sweat—all to no purpose, gentlemen. We intended to expose your duplicity, and we have done it. Hence those tears. I advise you to cover your intentions in some more skillful way, or I shall again draw aside the flimsy veil which shields you from open contempt.

PAY THE PRIVATE SOLDIER.

But, sir, what will be the effect of the resolution should Congress enact a law in accordance with its spirit? Will it not be precisely what you gentlemen forced us to vote against, when you attempted usurpation? The soldier will be paid in coin or its equivalent; that is to say, his wages will be increased by the difference between gold and greenbacks. If gold at the end of any month is sixty per cent. above greenbacks, the common soldier will receive twenty dollars and eighty cents, instead of thirteen dollars, for his month's services. If you were honest in your proposition to increase his pay, how can you object? When he entered the service, his pay was thirteen dollars per month in gold, for then gold was not above par. The resolution simply proposes to keep our plighted faith with the most meritorious of all public servants; with him who defends our homes and firesides. Tell me, gentlemen, were you honest or dishonest in your proposition? You shall not evade an answer by calling me disloyal. The word has no terrors for me. Three years ago you paid the foreign minister and the private soldier in gold. Why, to-day, do you continue to pay him who is basking and revelling in the smiles of royalty, and refuse it to him who, amid the roar of cannon and a storm of bullets, is battling in your defence? Answer me if you dare. We will not be deterred from making the inquiry by threats or denunciations. We, on this side of the chamber, claim for ourselves as much interest in and devotion to the Government founded upon the Constitution as you claim to possess. We do not impugn your motives; you shall not ours. We are not to be cajoled or intimidated here or elsewhere. We are your peers and equals here and every place. We know our rights and will maintain them. We will stand by the Constitution and Union of these States, and we tell you, aye, we charge it upon you, that you are the only men who would destroy both.

Charges are constantly made against us of a want of fidelity to the Government, of sympathy with treason, and of aiding the rebellion. We defy you to make them good. This matter had better be understood and settled here and now. It is true, we are not the slaves of any administration. You shall not set the blacks free and enslave white men. We know no Government which is not based upon the Constitution, and we will neither obey nor be "*loyal*" to any other. Is my language sufficiently precise? Is it clear? I do not wish to be misunderstood. *I am not "loyal"* to any administration; I am ever so to true government, founded upon and acting in accordance with the Constitution, of which it is the mere creature and exponent. More than this, you nor any living man can demand of any one. To do so is to make yourselves *masters*, and those of whom you make the demand *slaves*. We wish you to fully understand that you shall never exercise any such power over us. The history of the past should teach you that the race to which we belong may possibly be exterminated, *but never enslaved*.

Senator Clymer and every other Democrat voted for this resolution, and the Disunion Senators voted to kill it by amending it, and having a majority, effected its amendment, and thus defeated the original proposition.

MARCHING ON.—The New York *Tribune* says "John Brown's soul is marching on!"

We think so. A number of people think so. John Brown in the body corporate marched on through Kansas and elsewhere, stealing horses and other property. He marched to Virginia to steal niggers and break laws till at last he marched into eternity by a different line. And now we judge his soul is marching on! It marched through the army stealing all it could reach. It marched through the custom houses, post offices, collector's bureaus, legislatures and congress, stealing by the gross. It marched away from the White House lately with ninety large boxes in charge, and left the President's Mansion gutted. It has marched with its mortal counterpart Ben. Butler from New Orleans to Lowell, and through all the Departments at Washington.—Yes—the soul of John Brown is marching on, and we think it time the devil wrapped a chain about this essence of Republicanism and anchored the soul of the horse stealing monster.—*La Crosse Democrat.*

THE DEMOCRATIC REVIVAL.

A CLEAN SWEEP.

Democratic Victories in the Western States.

[SPECIAL DISPATCH TO THE WORLD.]

HARTFORD, April 9.

The Democrats revolutionized the city government at the city election to-day, electing everything on the ticket by two hundred majority. Charles R. Chapman, for mayor, had two hundred and thirty-three over Mayor Stillman. The rest of the entire ticket was nearly up to him. We carry a majority of the city councilmen. The Democrats are in hilarious spirits; they feel proud of conquering a scheme of corruption and fraud without precedent, save at the recent State election.

[ASSOCIATED PRESS REPORT.]

HARTFORD, Conn., April 9.—The result of the Hartford city election to-day was a full vote, and the election of the entire city ticket by the Democrats, totally changing the political character of the city government. The Democrats elect Charles R. Chapman, Mayor, over Allyn S. Stillman, the present Mayor, by two hundred and thirty-three majority; and Henry H. Fitch, Collector by two hundred over H. T. Sperry, the present Collector. They also elect the City Clerk by two hundred majority, the Auditor and the City Marshall, and have a majority in the City Council.

Great Conservative Gains in the Western States.

MICHIGAN.

The returns from the township elections held on Monday last, as a whole, more than satisfy expectations.

Deerfield elects the Democratic ticket. Prominent Republicans, who have heretofore voted the Radical ticket entire, come forward to sustain the policy of Democracy.

In Vernon the ticket was carried upon the issue of the President's policy by 56 majority.

Tyrone elected the Democratic ticket entire.

Rose elected the Democratic ticket by a majority of 45.

Munday, for the first time in several years, elected Democratic officers. The place was considered leased ground by the Radicals, but upon the issue Conservatism vs. Radicalism, the people proved their loyalty.

Tecumseh elected the whole Democratic ticket by 85 majority. This is a net gain of 74 over any year since the reign of Radicalism commenced.

In Manchester the whole ticket was elected by majorities ranging from 30 to 48.

Coldwater has gone Democratic upon the fairly made issue of the restoration policy by a majority of 206. When we reflect that this city gave Lincoln 245 over McClellan, and has always been abusively radical, the result is very gratifying.

At Argentine the Democratic ticket was elected entire.

Birmingham gave a majority of 19 for the Conservative ticket, a gain over last year in officers elected and in aggregate township vote.

Galesburg was carried by the Republicans by a majority so small as to leave them little to triumph over. The Democratic gain has been very large since last year.

The town of Charlestown for the first time in ten years succeeded in electing a Democrat, and now, they have elected the Democratic ticket entire. It is a complete revolution of politics, and argues well for the spread of conservative principles.

In Grass Lake, where the Republicans have had it all their own way for years, they had a desperate struggle to elect a supervisor by a majority of one.

Blackman went the Democratic ticket entire by 90 majority, a large gain over the last election.

Gaines shows a Democratic gain of nine over last year, the majority on the ticket being 62. Put Gaines down for double that amount at the fall election.

Mason exhibits a revolution in politics. For eight years out of the last ten Mason has gone Abolition straight out. The Democrats went in on the indorsement of the Presidential policy, and the result is a complete triumph, the whole ticket being elected by a majority of 43.

Waterloo elected the entire Democratic ticket by majorities ranging from 50 to 64.

Augusta has always been, till last year, Abolition. Now the Democratic gain is 20 over last year, though the last Abolitionist turned out. The vote was the largest ever polled in the tp.

At Hillsdale the Administration candidate received a majority of 35, and the average majority of the Radicals was reduced over two-thirds.

A dispatch from Howell says that the enemy has been met and he is ours as usual, only a little more so. Though the Radicals run their best man, he was beaten by 78 majority.

Seneca elected the conservative ticket entire, by 72 majority. Last year the Radicals elected their ticket entire by 40 majority.

Bridgewater elected their entire Democratic ticket by a majority of 100.

Canton gives 35 majority for the Democratic ticket.

Dearborn has done nobly. The Democratic ticket has made a clean sweep by 73 majority, an increase of 35 votes over last year.

Mongangon Democrats headed their tickets "Administration," and carried the election by 114 majority.

At Springfield there was a complete Democratic victory. The average majority for the Democratic cause was 140.

Van Buren went Democratic by 120 majority, being a gain of 20 votes since last year.

Greenfield gave increased majorities, electing the entire ticket. The Radicals were beaten 79 votes.

Warren elected the Democratic ticket entire, by the rousing majority of 115, being a large gain over previous elections.

Bedford went Democratic by an average majority of 79, a large gain over last year.

IOWA.

A correspondent at Lyons, Iowa, writes as follows:

"Yesterday the charter election came off in this city, and resulted much to the astonishment and chagrin of the Radicals, in the complete success of the Johnson or the conservative ticket."

Radicalism has had its own way in our city since the war began, and has elected its officers by from 50 to 100 majority—have even mobbed men for differing in opinion with it; but its day is run, as I sincerely hope and believe. Last year the majority for Mayor was about 60, and the whole Radical ticket succeeded, with perhaps the exception of an Alderman or two in the different wards; but yesterday they were forced to surrender without the liberty of dictating terms.

ILLINOIS.

In Mattoon there was a Democratic gain of 160 to 185, resulting in the election of two Democratic councilmen.—This is certainly a very substantial showing for a town that for five years has been one of the Radical abolition strongholds of the State.

A correspondent at Lodi, Kane County, Illinois, says that the Democratic voters of that township achieved a great victory electing their ticket for the first time in seven years.

Bourbon shows a Democratic gain of 28 since last spring. The candidates went to the people upon the issue of the administration policy.

Cotton Hill elected the entire conservative ticket by 20 majority, showing a Democratic gain of 35 since last spring.

Ball township elected the Democratic ticket by majorities ranging from 70 to 75.

Woodside made a clean sweep and elected the Democratic ticket entire, with an average majority of 35, a good gain over last year.

Port Byron repudiated the Radicals by a rousing vote, considering the zeal which the abolition faction displayed, electing the majority of the Democratic ticket.

The Democrats of Rock Island have redeemed themselves, as the following result shows: they elected seven out of the eight candidates, with an average majority of 10.

Black Hawk has made a Democratic gain sure, electing one official, something not done often in that vicinity. It is said that the Radicals used every species of fraud to win, but the whole vote, with one exception, is close and, as yet, doubtful.

Hampton sustained the administration policy nobly. Our tickets were headed, "In favor of President Johnson's reconstruction policy," and the result shows that the Radical vote has been terribly weakened, they barely saving half the ticket, when last fall they had a clear majority of 35.

WISCONSIN.

The city election at Madison resulted in an equal share of officials; but the gain of the conservatives is very gratifying evincing that the spirit of fanaticism and negro equality, so long dominant, is beginning to tire. The Radicals, to test the negro equality, ran a negro for Mayor; and we are ashamed to record the fact that he received no less than three hundred and six votes. As he failed to receive the election, we are satisfied that conservative principles are gaining rapidly.

From Mineral Point we have the following:

"Our city election came off to-day, and the result has proved most glorious for the Democracy and conservatism. At the State election last fall the Abolition majority ranged from 15 to 20, while to-day the Democratic majority for Mayor was 121, and the whole Democratic ticket, except the candidate for Treasurer, is elected by fair majorities."

INDIANA.

Every township in Bartholomew Co., went Democratic on Monday.

Rushville went Democratic by over 100 majority, showing a gain of over 150 since last year.

The Democracy of Kendalville carried their ticket through by a large majority. They have gained 300 votes since last year.

A correspondent writes from Argus, in this State, that the conservatives of that township elected their entire ticket by majorities ranging from 4 to 6—a Democratic gain of 21 since last fall, and a gain of 75 since 1860.

The Democracy of Evansville carried the election by 200 majority—an unprecedented success in that usually abolition stronghold.

OHIO.

Sandusky gave a Democratic majority of 250, being a gain of 48 votes over last election.

The Democrats carried the entire ticket in Fremont, redeeming it from Radicalism completely.

At Amherst the entire Democratic ticket was elected by an average of 15. This is the first time that the conservative party have succeeded in carrying an election in Amherst in nine years. Radicalism has recoiled upon its votaries, and their power is over.

The election in Perrysburg went, as usual, Democratic, with large gains since last election. A very full vote was polled, and the Radicals have strained every nerve, but to no purpose.

In Toledo the Democrats have elected some of the more prominent city officers.

In Canton the Democracy have made a splendid gain, and everything promises a large increase this fall.

[From the Clermont Sun, April 4th.]

The Democratic and Conservative men of Batavia township, on Monday last, covered themselves with glory. The Abs. carried the township in October last by eighty majority. Now the contest was so close that a part of each ticket was elected. We succeeded in electing one Trustee, Geo. W. Duckwall, and the Assessor, Isaac Potter. Hurrah for Batavia township! Negro equality and unequal taxation are fast winking out. When the Radicals met to put in nomination their township ticket, they defeated, in convention, Mr. Gest, because he was a supporter of the President's policy, and nominated H. N. Talley, Esq., a Radical, over him. Gest proclaimed himself an independent candidate for Justice of the Peace and defeated Mr. Talley, the regular nominee of the Abs, by one hundred and fifty-four majority. If the Democrats and Johnson men of Batavia township will pick their flint and keep their powder dry, abolitionism will soon be numbered with the things that were. Again we say three cheers for Batavia township!

The Democrats of Stonelick township, which was carried by the Radicals last fall, have elected their whole township tickets by majorities ranging from seventeen to twenty-six. The vote was a very heavy one. The *woolies* died hard, but they had to come down. Hurrah for Stonelick! Her Democracy is entitled to much credit for their devotion to the Constitution of our country.

From Washington---Complimentary Resolutions Presented to the President---His Reply.

WASHINGTON, March 28.—A Committee of gentlemen from the State of New Jersey, called upon the President to-day for the purpose of presenting a series of resolutions passed at a recent mass meeting held in the county of Hudson. The President replied—I do not know, gentlemen, that I can make any reply to the complimentary manner in which you have addressed me, and to the sentiments and principles set forth in your resolutions than to refer you to my public acts. You must take them as my reply, or any speech that I might make. I must, however, thank you most fervently for the encouragement you have given me, for we are occupying a position that needs encouragement from those who are desirous of maintaining the first and original principles of the Government. My line of policy is, I think, unmistakable, and I have advanced too far in life to make any retrogade movement. I can make no step backward, and I hope you will find that the generous confidence you have given me has not been misplaced. I can say no more, but thank you, gentlemen.

ABOLITION THEORY IN PRACTICE.—A Mr. William Griffith, of Somerset Co., who is an advocate of Negro Equality, has had his theory put into practice. He has been employing negroes to work for him, getting their labor for little expense; and is reported to have said some time since, that he "would rather have his daughter married to one of his negro hands than to be a copperhead." It appears that his daughter, a fine looking girl about seventeen years of age, has taken heed to his equality teaching, and to-day (Tuesday) eloped with a young Buck Nigger. She slipped out from her father's house, met the Nigger on the road, and walked to this place, intending to take the cars and proceed to Harrisburg, and there get married. Mr. Griffith, finding by the absence of his daughter and the Nigger, that his theory was to be put into practice, by a member of his own family, telegraphed to the police at this place, who arrested them on their arrival here. Both are now in the hands of the police, and the "equality" is looking through the "ten of diamonds" of the lock-up.

Mr. Griffith should not now object to this action of his daughter and the darkey for he has taught them that they are equal.—*Johnstown Democrat.*

—The Grand Lodge of Pennsylvania Free Masons has authorized W. M. Grand Master Orr, to draw upon their treasury for the sum of one thousand dollars in aid of the Grand Lodge in North Carolina.

—Governor Jenkins, of Georgia, has issued an earnest appeal to the men of means in that State to come forward and loan the State money to save her people in the various districts from starvation.

WHY are some ladies of the present day like the lillies of Scriptures? Because they "toil not, neither do they spin; yet Solomon in all his glory was not arrayed like one of these."

THE banking house of Wood & Bro., at Rochester, N. Y., holding deposits to the amount of $100,000, has suspended.

MRS. Jefferson Davis has been granted permission to visit her husband at Fortress Monroe.

DEMOCRATIC STATE TICKET.

FOR GOVERNOR,

Hon. HIESTER CLYMER,

OF BERKS COUNTY.

TO DELINQUENTS.

Of thirteen hundred subscribers to this journal, not quite *four hundred* have paid for the year of which nine months have passed away. Now, is this not really too bad? If the nine hundred delinquents had paid up, as they should have done, there would be no necessity for any more dunning. In that case we would not now need a cent of money; but as it is, we need every cent they owe us. We have paid out our own money to meet the expenses of furnishing these nine hundred with their weekly copy of our paper. It is really a loan to them. Now, we appeal to our delinquent friends to pay up. You have already permitted yourselves to lose the advantage of our advance rates. If you neglect to make payment for three months longer, you will have to pay $3.00 per year for your paper.—We do not wish to exact this from you. But we must enforce our rates, or quit publishing a paper. Shall this be the last dun? Delinquents will decide for themselves.

THE REASON WHY.

The Pittsburg *Gazette* and some other Disunion journals which ape the peculiarities of that paper, seem to be troubled about the resolution in the Democratic platform, which declares that we "*owe obedience* to the Constitution, including the amendment abolishing slavery." The reason why this plank was put in the Democratic platform is simply this: Democrats always stand by the Constitution *as it is*—the *whole* Constitution—not a part of it. The amendment abolishing slavery has become a part of the Constitution, and though Democrats opposed the adoption of this amendment, yet, *as it has been incorporated into the Constitution*, they feel it to be their duty, like good citizens, to obey it as they obey the remaining parts of that instrument. And herein consists the difference between the Disunionists and the Democrats. The former trample under foot every provision of the Constitution, except the anti-slavery amendment, and stretch even that to cover ground not intended to be touched by it, whilst the latter obey the Constitution in all its parts, not excepting a provision whose adoption they did not favor. But the Democratic platform does not contain one word as to the righteousness of the anti-slavery amendment, nor approbatory of the manner of its adoption. It merely and simply acknowledges obedience to it, as a part of the fundamental law of the land. Would it please the Disunion journals to have us disobey the Constitution, in any of its parts? Would it delight them to have us denounce and set at defiance any portion of the fundamental law? We presume it would, for they have sat at the feet of Garrison, Phillips and Stevens, to no purpose, if they have not learned to admire those who execrate and anathematize the Constitution. Ay, there's the rub! They had hoped that like themselves, the Union Democracy would repudiate the Constitution whenever it did not entirely suit them. Nay, they had charged the Democracy with an intention to restore slavery, despite the anti-slavery amendment. But the Democratic platform gives the lie to this charge and effectually prevents the Disunionists from making any capital on this subject. That is what's the matter.

GREED FOR POWER.

Political organizations are not the only aspirants for power in this country. It seems that there are ecclesiastical "rings" forming which, as well as political parties, hope to make *the negro* a stepping-stone to place and consequence. A recent number of the New York *Christian Advocate*, holds forth as follows:

"The negro is the coming man. * * * * The coming man of to-day will be the present man of to-morrow; and since it is peculiarly the tendency of the spirit of the Gospel operating among our free institutions, to lift up the lowly, it may be assumed that the church that shall now secure to itself the colored population of the country, will in so doing make sure of a *great power for the future*."

"A great power for the future!" Think of the Church of Christ having to stoop to "*secure*" any class of people to "make sure of a great power for the future!" Is it *temporal* power this Jesuit wants? Is it that power which results from mere numbers, that this advocate for negro proselytes longs for? Jesus Christ taught his disciples, saying: *My kingdom is not of this world;* but this would-be apostle of the meek and lowly Jesus makes the evangelism of the negroes through the agency of a particular sect, the surety "of a great power for the future." Such a kingdom is neither of this world, nor of the heavenly, but verily of Beelzebub himself. We cannot think that any considerable number of Methodists (whose organ the *Advocate* is) approve this proposition to set up in their churches the ebony idol whose worship is to "make sure of a great power in the future." If they be true Christians, they must read such appeals to their fleshly lust, with grief and abhorrence. No truly pious man, but who on reflecting upon such sentiments, will say, What has the *Church* to do with obtaining temporal power? for, verily, its future shall only exist when translated to that "house not made with hands, eternal in the heavens."

THE NEW BREED OF DISUNIONISTS.

Yancey, Rhett, and Davis submitted their Disunionism to the arbitrament of the sword. The wager of battle decided against them, and *Secession* is dead beyond hope of resuscitation.—They attempted Disunion for the sake of protecting property in the negro's labor. They failed, and people rejoiced, thinking that the colored gentleman had at last been eliminated from the political wood-pile. But, no sooner is their hash settled, than there arises a new breed of Disunionists, who declare the Union dissolved in order *to protect a prospective property in the negro's vote.* Not one of the infernal Fifteen who at present rule this country—not Sumner, nor Wade, nor Stevens, nor any of the men whom the President and Mr. Seward hold to be Disunionists—would hesitate a moment to admit the eleven Southern States into the Union, if *universal suffrage* (whites, mulattoes and blacks all voters) would be made the basis of their restoration. This they have admitted in Congress. They want the negro's vote to aid them in maintaining their political supremacy.—What, then, is the difference between the Disunionism of Yancey, Rhett and Davis, and that of Sumner, Wade and Stevens? Nothing. Not the shadow of the slightest variation. The former *tried to take out of the Union*, eleven States, for the purpose of protecting property in *negro labor*. The latter *have excluded from and are to-day keeping out of the Union*, those same eleven States, in order to protect property they hope to obtain in *negro votes*. These men are, therefore, Disunionists and Traitors, for they are laboring to overturn the Government and have already dissolved the Union. Men cried "havoc and let slip the dogs of war," when Southern Disunionists strove to break up the Union in order to protect property in the negro's labor; what will they do now, when Northern Disunionists have actually broken up the Union for the purpose of protecting a prospective property in negro votes? The issue has again narrowed itself down to *Patriotism* and *Treason*. There can be no two parties as between *The Union* and *Disunion;* there can be only *Patriots* on the one hand and *Traitors* on the other.—What! call that man a friend of the Union, who says that it is composed of but *twenty-five* States? Call that man a patriot who mutilates the flag by blotting *eleven* stars from the Federal constellation? Never! Never! He is a Disunion Traitor and as such let his name go down to posterity. He only is a Union man who stands up for the *Union of Thirty Six States*, he only is a Patriot whose flag bears upon its folds the *thirty-six* stars emblematic of *all* the States and the *whole* Union. Look around you, reader, and "spot" the men who belong to the new breed of Disunionists.

GREAT VICTORY FOR THE RIGHT IN NEW JERSEY!

The nice little game of the Disunionists in the U. S. Senate, of which the ousting of Senator Stockton was a part, has been completely spoiled. Mr. J. M. Scovel, of Camden, President of the New Jersey Senate, (a "Republican") held in his hands the balance of power between the two parties in that body. He boldly denounced the ousting of Senator Stockton as an outrage, and voted with the Democrats against going into joint convention to elect a successor to Stockton. Thaddeus Stevens adjured, remonstrated with and threatened Scovel, by telegraph from Washington; but all to no purpose. Scovel was immovable, and the New Jersey Legislature had to adjourn *sine die* without electing a Senator in place of Mr. Stockton. If the election goes over to next year, as is expected, Stockton will be returned by a large majority.

WHO are the Disunionists and traitors of the present day? Ask President Johnson, W. H. Seward and the endorsers of the President's twenty second of February speech, and you will get the answer, in the President's own words, "Thaddeus Stevens, of Pennsylvania, Mr. Sumner in the Senate and Wendell Phillips." As for the small fry who, like Forney, swim in the wake of these Disunion whales, they are only *Dead Ducks*, upon which you needn't waste your ammunition.

THE BOYS IN BLACK VS. THE BOYS IN BLUE.

Gen. Geary, the Disunion candidate for Governor, is now the leader of the "cullud brigade." He has deserted the "boys in blue," in order to take charge of the *boys in black!* He is the candidate of the Rump Congress which does nothing but legislate for the negro and which declares the Union to be composed of but *twenty five states*. Grant and Sherman, Meade and Hancock stick to first principles; they are for the flag with *thirty six stars* upon it and for the Union with *thirty six states* included within its limits. They, also, stick to the boys in blue and disdain to lay off their battle harness to clothe themselves in *black* to serve the purposes of office-getting. Not so Geary. He is for the Thad. Stevens Rump Union of twenty five States, for the Sumner mutilated flag of twenty five stars. He has laid aside his uniform of true blue, and donned the black of the Freedmen's Bureau and the saddle-color of the Negro Civil Rights Bill. While Grant and Sherman, Meade and Hancock stand by Andrew Johnson, who is the Commander in Chief of the Army and Navy of the United States, Geary opposes him and suffers himself to be used as a tool in the hands of the Disunionist, Thad. Stevens, in the interest of the conspiracy of the Rump Congress against that noble patriot. There is a direct issue, therefore, between Geary, the leader of the *boys in black*, and the friends of the patriots who fought for a *Union of thirty six States* and under a flag of *thirty six stars*, the soldier citizens, *the boys in blue*.

For the Gazette.

DISUNION PABULUM.

The pap on which Bedford county Disunionists are fed---Salad for Secessionists ---Buttered brains of Dead Ducks for dessert---A Legislative Templar.

MR. EDITOR:—I have often wondered why it was that men who profess to be supporters of the Constitution and who invariably declare that they are opposed to placing negroes upon an equality with white men, should yet vote a ticket representing opposition to the Constitution and the practical equality of whites and blacks. I am no longer astonished since I have become a reader of the Bedford *Inquirer*. That sheet is the teacher of these things and the so-called "Republicans" of Bedford county are its pupils. A large majority of them see no other paper and are led to believe that all that appears in its columns is gospel. It advocates equal rights for the negro, and its political friends, without further inquiry, swallow the dose it gives them. No matter how much poison is contained in it, they gulp it down, not thinking that in the end it may prove the death of the body politic. It is no wonder, therefore, that men learn to despise the Constitution and imbibe a willingness to consent to the degradation of their own race. Take that paper for the last six months and what do you find in it but advocacy of *the right of negroes to enjoy the privileges of the white man?* Scarcely a single issue is without an article in this line. Such is the pap upon which men who are yet but babes and sucklings in the cradle of *Negro Equality*, are constantly fed. Soon, however, the noxious stuff stimulates their system and they expand into full grown advocates of that horrible doctrine. It cannot be denied that this is true. A year ago men who now glory over the passage of the Negro Civil Rights bill, would have indignantly repelled the charge that they were in favor of making negroes citizens. What has changed their views in this respect? Disunion, Negro equality newspapers, such as the Bedford *Inquirer*.

But, it is not only what that paper does publish, but what it purposely omits to publish, that misleads and debauches its readers. It has an advantage over the members of its party who are its patrons, which it makes use of in the most shameless manner. Few of them take any other paper, and, therefore, besides imposing false and malignant doctrines upon them, it expressly with-holds from them facts and documents of the most important character. For instance, *it avoided publishing the great speech of President Johnson, made on the last anniversary of Washington's birth-day. It has also failed to publish the President's message vetoing the Negro Civil Rights bill.* Whoever heard of such contemptible unfairness as this? How can "Republicans" make up their minds as to whether the President is right or wrong, when they are not permitted to see his side of the case? Does this lop-sidedness not show, of itself, that the *Inquirer* stands upon slippery ground, that Negro equality is not a tenable platform, that the President is right and his assailants wrong? If the people are to shoot in the dark, isn't there great danger that they will hit the wrong man? Nevertheless, the editors of the *Inquirer* should remember that shots in the dark, as well as those in the light, sometimes rebound.

As long as blood was to be spilt and money to be made out of the misery of the people, the *Inquirer* was rampant in its out-cry for the Union. But how is it now? It is a year since the terrible "rebels" laid down their arms and got on their knees for pardon. Not a single armed man in all the South today lifts his hand in opposition to the government. Not a single remnant of the rebellious "Stars and Bars" flutters in the wind, from Maryland to Texas. The Southern people are in complete and utter subjection to the laws of the Federal Government. At its bidding they have abolished *Negro Slavery*, an institution near and dear to them; at its beck they have ratified the amendment to the Constitution prohibiting that institution forever; at its command they have repudiated their war debt, to do which required them to sacrifice their public honor. Yet, to-day the Bedford *Inquirer*, in common with almost every other Abolition paper in the State, cries out against the restoration of those States to their places in the Union; to-day the Bedford *Inquirer* holds that those States are *out of the Union*, that *secession took them out of the Union*, that, therefore, *the Union army was not successful in preventing them from going out of the Union*. To-day the Bedford *Inquirer* regards the Union as composed of but *twenty-five* States and every man who believes its doctrines, must also believe that *Secession* was successful; for, if it was not, how could *eleven* of the *thirty-six* States now be out of the Union? This is Disunionism, thorough-paced, full-blooded unadulterated Disunionism. It is the bursting-forth into new and more vigorous life, of the old New England plant, the germ of which sent forth some of its shoots when Banks was willing "to let the Union slide" and Garrison published the *Liberator* with the motto, the "Union is a league with Death and a Covenant with Hell." This is the salad for Secession, and the drooping creature of Calhoun and Yancey, of Phillips, Parker and Garrison, will derive new strength from this nourishing succulent so assiduously cultivated by the deluded followers of Mr. Charles Sumner and Mr. Thaddeus Stevens. Let the *Inquirer* deny, if it dares, that it holds that there are but *twenty-five* States in the Union. Is this not so, gentlemen? If so, *your flag can have but twenty-five stars upon it* and you are Disunionists self-confessed and self-condemned.

Again, the *Inquirer* continually presumes its readers to be *ignorant*. It insults them weekly with impostures of the most shameless character. It tries to blindfold them by setting up a *hurrah* over imaginary political victories. For instance, in its last issue, it has a double-leaded article on the Connecticut election, which winds up with a "huzza for Connecticut!" Why didn't it tell its readers that the "Republican" majority in Connecticut is only about 500, whilst last year it was 11,035, and Lincoln in 1864, had about 2,500? Also that the "Republicans" this year lost 8 Senators and 35 Representatives? Ah! this would not have suited its purpose. *It might have discouraged some of its partizans, to tell the truth.* It has also a similar glorification over Rhode Island, but it forgets to say that the "Republicans" of that State *made no platform*, and that the Democrats did not nominate a candidate against Burnside. Further on it claims that the municipal elections in Michigan, "show considerable Republican gains," when the contrary is true, as the Democrats and Johnson men made a clean sweep in that State. The same is also the case in regard to its claim of the election in Leavenworth, Kansas, as a "Republican" triumph, when Carney, the Mayor elect, was supported by the Democrats and Johnson men as against the Pomeroy Radicals. Why couldn't it tell its readers about St. Louis, that former Radical stronghold, where the Sumner and Stevens party has just been beaten 3,000 votes; or, about Evansville, Indianapolis and Terre Haute, Ind., (the latter the home of Hon. D. W. Voorhees) all of them last year strongly "Republican," and all of them them this year overwhelmingly Democratic? The *Inquirer* must imagine that when it caters thus for its readers, it is buttering the brains of "dead ducks."

But, then, in order to sugar-coat its doses, there is a delicious icing of *morality* spread over them, for instance, articles on *temperance*, one of the editors belonging to the order of Good Templars, he being a candidate for the "Republican" nomination for the Legislature. In the last issue, however, these articles were not to be seen, inasmuch as the editor's rival for the legislative honors, has also joined the Templars.

"The devil was sick, the devil a monk would be,
The devil got well, the devil a monk was he."

But, I find no fault with the *Inquirer's* advocacy of *temperance*. On the other hand, I bid it God-speed. Only, I don't think so excellent a cloak should be put upon so vile a body as that which wears it in the columns of that paper—to wit, *Political Trickery*. Do you, reader?

OLD SALT.

POLITICAL NEWS.

—A mass meeting of the friends of President Johnson, was held at Washington, at which Green Clay Smith (a Kentucky Republican) said: "Andrew Johnson is the Gibraltar of America, and every man who dashes his head against 'that rock,' will get his brains knocked out."

—The New Jersey Legislature has adjourned without electing a successor to Senator Stockton. The speaker of the Senate, Mr. Scovel, of Camden, voted with the Democrats, against going into joint convention for the purpose of electing a Senator. This defeated the scheme of the Disunionists to have one of their own stripe returned in place of Stockton.

—Toledo, Ohio, has elected the Democratic ticket by 325 majority. Last fall the "Republican" majority was 529—Democratic gain 854!—Prince, Dem., has been elected Mayor of St. Paul, Minn., by 1,327 majority. A large Democratic gain.—Ft. Wayne, Ind., has elected the Democratic ticket by 700 majority, the largest ever given.

—Each of the Senators who voted for the Negro Civil Rights Bill, has been presented with a boquet by a delegation of negro wenches. This highly scented affair is the burden of an Associated Press dispatch.

—The elections in Tennessee, for members of the Legislature, have gone Conservative by large majorities.

—Rahway, N. J., has gone Democratic. Last fall, the Repub. maj. was 68.—Linden, same State, formerly "Republican," elects the Democratic ticket.—Elizabeth City, N. J., gives 490 Dem. maj. Springfield, Clark, Westfield and Union, same State, all Democratic, with large gains.

—The Democratic victories in the Western States have been completely overwhelming. They don't do things by halves in the West. The "Republicans" ran a *negro* for Mayor in Madison, Wisconsin. He received some 300 votes, but was defeated.

—The Disunionists of Maine will hold their State Convention, at Bangor, on the 30th of June. This State is one of the *main* stays of the Disunion ship.

—Both Houses of the Iowa Legislature have adopted a proposition to amend the Constitution of that State, by striking therefrom the word 'white.'

ATROCIOUS MURDER IN PHILADELPHIA.

On Wednesday afternoon April 11, between 2 and 3 o'clock, the City of Philadelphia was startled by the intelligence that an entire family had been slaughtered by a German laborer engaged in the service of the murdered man. The news spread rapidly, and the detectives were soon upon the ground. The following are the details of the horrible massacre as ascertained and reported by The Evening Telegraph of yesterday:

Mr. Ghristopher Deering resided about one-half mile from the old Point House road, and within five hundred yards of the site of the well remembered Point House, about three miles below the Navy Yard, on what is termed the "Neck."

The dwelling house, a two story frame, is located on Jones' lane, the barn and stable being a short distance off. Mr. Deering was a cattle dealer, and a quiet, unostentatious man. He attended strictly to his own business, and thus won the esteem of all who knew him. He occupied the farm for five or six years, having rented it from the owner, Mr. James Mitchell. Beside his own family, he had a hired man living with him, a German, whose name none of the residents thereabouts could give; also a lad, called Cornelius, seventeen years old, who was bound to Mr. Deering, and had been with him seven or eight years.

On Wednesday afternoon the fearful discovery was made that the entire family, with the exception of the eldest child, a boy named William, ten years of age, who happened to be paying a visit to a relative, named Duffy, in West Philadelphia (and possibly the boy Cornelius), were brutally murdered, and their bodies thrown together in the barn, a short distance from the dwelling house. In each instance the heads were knocked in and the throats cut, in some cases to such an extent that they were nearly decapitated. There they lay, a mangled mass of humanity, piled one on top of the other. The father of the family and Mrs. Dolan were found lying side by side in the barn, terribly disfigured, and covered with hay, and in an adjoining sort of corn-crib was found the body of Mrs. Deering, surrounded by four of her children, all so terribly mutilated that identification was almost impossible; the ages of the children ranging from eight years to an innocent of fourteen months. The names of the persons murdered are as follows:

Mr. Christopher Deering age 37 years.
Mrs. Julia Deering, aged 44 years.
John Deering, aged 8 years.
Thomas Deering, aged 6 years.
Annie Deering, aged 4 years.
Emma Deering, aged 14 months.
Mrs. Elizabeth Dolan, aged 45 years.

The last seen of any member of the family was last Friday morning, when some of the neighbors observed two of the children going over the meadow near the house, apparently chasing up some ducks.

Mr. Deering was, however, seen as late as last Saturday morning, when he called upon Mr. Mitchell, No. 1,629 Arch street, who owns the estate on which Mr. Deering resides. He transacted some business with Mr. Mitchell and then left, saying that he had to go to the steamboat landing, in order to meet his niece (Mrs. Dolan), who, it appears, has gone to Trenton to attend a funeral.—From that time nothing was seen or is known of him until found as described, in his barn, yesterday afternoon.

LATER.—ARREST OF ONE OF THE MURDERERS.—*Phila.*,, April 13.—A man was arrested at the corner of Twenty-third and Market streets this morning, who confesses to having murdered the Deering family. He states that he was assisted by a companion, whom he has described minutely to the authorities. Search is being made for his accomplice. The prisoner is now at the Center Police Station.

SECOND DESPATCH.

Mrs. Dolan, the grandmother of the Deering children, fully identifies the prisoner as the man employed on the farm, and also the articles of clothing he had on when arrested as belonging to Mr. Deering.

The prisoner confesses the murder of the boy Cornelius Carey, but says that his accomplice, Jacob Youder, committed the rest of the butchery.

He describes Youder as follows:

"Thirty-eight to thirty-nine years old; broad shoulders; heavy black mustache; dark brown hair; wore military pants; had boil on the left side of his neck; weight about one hundred and sixty pounds; carried off a black leather bag."

The prisoner lost his thumb in the cavalry service.

THIRD DISPATCH.

The man arrested is named Antoine Ganter. He formerly belonged to the Fifth Pennsylvania Cavalry.

The prisoner states that on Saturday, about 12 o'clock, he killed the boy, Cornelius Carey, while he was on the hay stack, but that another man by the name of Jacob Youder, formerly of the Eleventh Pennsylvania Cavalry, killed the rest of the family.

The announcement of the arrest of Antoine Ganter created the most intense excitement throughout the city.

Extra editions of The Bulletin and Telegraph were issued, giving the particulars of the arrest.

The news spread like wildfire, and vengeance against the prisoner was uttered on every side.

An immense crowd collected around the police station at the State House, and threatened to lynch the prisoner.

A cousin of the murdered family wanted to take summary vengeance upon them.

The prisoner was finally removed in safety to the Moyamensing Prison.

THE SOMERSET AMALGAMATION CASE!

A White Woman Elopes with a Negro!

John Brown's Soul Marching On!

We find, in the Somerset *Democrat*, of April 11, the following account of and remarks upon the recent elopement of a white woman with a negro man, in that county:

On Monday night, the 2d inst., a daughter of Mr. Wm. Griffith of Jenner township, this county, aged about 17 years, eloped with a full blooded Nigger, black as Erebus. Sometime after night Miss Griffith slipped out from her father's house, met the nigger on the road according to previous arrangement and the same night walked to Johnstown, 18 miles distant, with a view of taking the morning train for Harrisburg, where they were to be married. Mr. Griffith discovering the absence of the parties and suspecting their intentions, proceeded forthwith to Stoystown, the nearest telegraph office, and there telegraphed to the police of Johnstown to arrest them on their arrival, which was accordingly done. Miss Griffith was taken to her father's house and the nigger was on the 4th inst., committed to the jail of this county to await his trial at next court, which will amount simply to nothing as it is no legal offence, but purely a matter of TASTE and SMELL. This nigger has been in the employ of Mr. Griffith for some time. During the last winter he frequently took this daughter and Mrs. Griffith and other female members of the family sleigh-riding. He was on a perfect equality with the family—ate at the same table, slept under the same roof and enjoyed all the rights and privileges that Mr. Griffith's children did.

Mr. Griffith is one of the original Abolitionists of the county, has voted that ticket for the last 22 years to our certain knowledge, and has advocated the cause of negro equality in a zealous manner. He often said before his family that a "negro was plenty good enough for a poor white girl" with similar expressions, showing the bias of his mind. The daughter, having confidence in her father, imbibed his teachings and concluded to act upon them. She was perfectly innocent and no blame should attach to her. She supposed she was doing right inasmuch as her father—her dearest friend—had taught her that a negro was as good as a white man, and had in his own house set an example of social equality between black and white people. We understand, she says that she loves him and is bound to have him. Mr. Griffith is one of the best citizens of this county and we cannot believe that he ever had the remotest idea as to the tendency of his teachings or he would surely have spared his own family. This sad example should be a warning to the people of this county never to be forgotten.

In a majority of families of this county this doctrine of negro equality, socially and politically, is being taught, because it is the doctrine of the Republican party, and they may not see its revolting features until they find out that some member of the family—some one who confided in their teachings is about to carry their teachings into practice. And if they do not want their own children to follow their teachings, how as christians, bound by the golden rule, can they desire others to practice what they wont practice themselves.—The case in hand is a fair example of the result of such teachings. Similar cases are of frequent occurrence throughout the North. Parents, it is dangerous teaching. God Almighty for some inscrutable purpose created the blacks and the whites different and placed before you the evidence of that difference, and when you attempt to reverse his decrees you can't expect to fare better than did our first parents when they thought themselves wiser than God. We adjure the people to think of this matter.—God never intended the negroes and the whites to be equals and when you come to make a personal application of the doctrine of equality, you shrink from it with horror as did Mr. Griffith, when his daughter was about to throw herself into the embraces of a negro. Abandon, renounce, and abjure at once and forever this horrible, Heaven-defying—God-insulting doctrine, before your families may be disgraced and ruined.

THE FENIANS.

Latest from Eastport---Great Excitement.

EASTPORT, April 12.—There is great excitement at Camp Bello Island, today. Families are moving over here, taking shelter in barns and out-houses. A great Fenian meeting was held last night, at which speeches were made by Killian and Major Sinnot.

Latest from the Borders.

CALAIS, Maine, April 12.—There was much excitement yesterday and last night at St. Stephens, New Brunswick, opposite the city. Fears of a Fenian raid somewhere on the frontier have been strengthening for several days, but the precise point of attack is not yet known. Reports from Eastport yesterday indicated that the Fenians were leaving there in squads, supposed for Calais, but, up to this hour, they have not shown themselves here. From two to three hundred men were under arms at St. Stephens all last night, and all the approaches to the city are strongly guarded. Every preparation has been made to receive the Fenians. An attack was expected last night, but everything passed off quietly. The force at St. Stephens is to be increased to-day to five hundred men. Large numbers of Fenians are supposed to be moving East, but no definite information can be gathered.

The Fenian Invasion of Canada.

WASHINGTON, April 11.—Sir Frederick Bruce professes to have received information that leaves no doubt of the intention of the Fenians to attack some point in the British Provinces.

It appears certain that large numbers of men are gathering on the frontier, and it is alleged that their object is to concentrate and capture some place which will be hastily entrenched and defended.

In that case it is expected that reinforcements and aid from the United States and British Provinces will flow in, to enable them to accomplish their ulterior objects.

The situation is deemed sufficiently alarming to call forth a proclamation from the President against any invasion of the neutrality laws, and it will shortly appear.

Serious remonstrances have been received from the Canadian authorities.

It is understood that the United States Marshals on the border towns, have received orders to prevent any invasion.

AN HONEST CONFESSION.—The *Inquirer* of yesterday contains a special dispatch from Washington in the following words:

The decision of the Supreme Court to-day that the military commissions to try civilians are not legal tribunals in time of peace has created quite a sensation here, as it is supposed to secure the freedom of Jeff. Davis and Clay, *who can only be convicted of any crime by trying them before a military commission for conspiracy in the assassination of President Lincoln.* It is not improbable that an attempt will be made to release them on a writ of *habeas corpus.*

This is frank, not to say shameless.—It is an explicit admission that the only way to get the lives of the prisoners at Fortress Monroe, is to subject them to a kind of trial which the highest tribunal in the land has pronounced to be as lawless as the Court of Judge Lynch.—*Age.*

THE HARRISBURG POST OFFICE.—Gen. Knipe was nominated to the Senate by the President as Postmaster at Harrisburg, in place of George Bergner, removed, on the 9th inst. We understand that George F. Miller, the Representative from this district, has requested that the nomination shall lie over for the present, but it is believed it cannot be defeated. We learn, further, that when the Post Office Committee met, on the 12th, the nomination had not reached it *from Forney's clerks*, thus causing a week's delay, at all events, in the action of the Committee.

Brother Bergner dies hard, but he must give way to one of the "boys in blue;" to which we say—Amen!—*Patriot & Union.*

An Electrician, who has great experience for their effects in local rheumatism, tic doleroux, and deep seated nervous and other pains, and in affections of the kidneys, etc., etc., attributes all their sedative, stimulative, and pain-relieving effects to their electric qualities. He asserts they restore the healthy electric condition (equilibrium) of the part, and that being restored, pain and morbid action cease.

THE WHOLE UNION!

CLYMER AND THE CONSTITUTION!

Rally for the White Man's Government!

A Mass Meeting of the Democracy of Bedford county and the friends of the Union generally, will be held in the Court House, on MONDAY EVENING OF COURT WEEK, APRIL 30th, for the purpose of ratifying the nomination of

HON. HIESTER CLYMER,

as the next Governor of Pennsylvania. Union men, rally to the support of your leader! "The Disunionists at the other end of the line, Thaddeus Stevens, of Pennsylvania, Mr. Sumner in the Senate and Wendell Phillips" (in the language of President Johnson) must be met and overthrown. Come, all who believe that this Union consists of *Thirty-six States*, all who would march under a flag of *Thirty-six Stars*, all who believe with the lamented Douglas, that this is "a White Man's Government, established by White Men, for White Men and their posterity forever." Come, all who would support President Johnson in his noble efforts to restore peace, law and liberty to this distracted country; who are opposed to Freedmen's Bureaus, Negro Suffrage, Black and White Equality and the other monstrosities of the Disunion conspirators against the Government. It is time to strike for the Right!—Rally, men of Bedford county!

By order of the Dem. Co. Com,
Apr. 20. E. F. KERR, Ch'n.

THE FISH LAW.—The bill to open the dams on the Susquehanna and its tributaries, so as to permit the shad to ascend to the head waters of those streams, having become a law, Col. Jas. Worrall, of Harrisburg, has been appointed Superintendent of the operations to be performed under the law.—Col. Worrall was prominently connected with the survey of the Sherman's Valley R. R. route, and is, we are informed, an excellent engineer. We hope he may succeed in engineering the shad up this way as soon as possible.

RIDDLESBURG COLLIERIES.—We call the attention of our readers to the advertisement of Messrs. Langdon and Glazier, who have leased the collieries of the Riddlesburg Coal and Iron Company. We can recommend these gentlemen to the public as worthy of the confidence of all who may desire any thing in their line. They are now furnishing some of the best coal in the market, at low rates. We advise those who are in need of the article, to call upon our Riddlesburg friends, and, we doubt not they will be satisfactorily accommodated.

DEMOCRATIC UNION MASS MEETING.—A mass meeting of the Democratic Union men will be held in the Court House, on Monday evening of Court week. The friends of President Johnson should turn out *en masse* to this meeting, as one of its main objects is to strengthen his hands by endorsing his policy. The meeting is specially called to ratify the nomination of the gallant son of old Berks, Hon. Hiester Clymer, as the Democratic Union candidate for Governor. Let there be a grand rally of the true patriots of the county, such an out-pouring as will strike terror into the ranks of the Disunionists. The meeting will be addressed by distinguished strangers, among whom we are authorized to announce that eloquent champion of the right, Hon. J. McDowell Sharpe, of Chambersburg.

THE South, desirous of getting into good odor again with its Northern neighbors, is sending on large orders for Phalon's "Night-Blooming Cereus," which for four years has taken the lead of all other extracts for the handkerchief in every city and State on this side of the Potomac. Sold everywhere.

ON SATURDAY, JANUARY 6, 1866, Messrs. TICKNOR & FIELDS began the publication of a weekly journal entitled
EVERY SATURDAY:
A JOURNAL OF CHOICE READING,
SELECTED FROM FOREIGN CURRENT LITERATURE.
Much of the best literature of the day is found in the English and Continental magazines and periodicals; and it is the design of the Publishers of this new journal to reproduce the choicest selections from these for American readers, in a form at once attractive and inexpensive. The publishers believe that such a journal, conducted upon the plan which they propose, will be not only entertaining and instructive in itself, but interesting and valuable as a reflex of foreign periodical literature of the better class.
EVERY SATURDAY is intended for town and country, for the fireside, the seaside, the railway and the steamboat. Its plan embraces Incidents of Travel and Adventure, Essays Critical and Descriptive, Serial Tales, Short Stories, Poems, Biographies, Literary Intelligence, etc., in connection with judicious selections from the admirable popular papers on science which are constantly appearing in foreign periodicals. The value of these papers arises from the fact that scientific subjects, however harsh and dry in themselves, are here treated in so graphic and picturesque a style as to charm the reader while instructing him.
It will be, in short, the aim of its publishers that EVERY SATURDAY shall commend itself by its freshness and variety to all classes of intelligent and cultivated readers.
EVERY SATURDAY will contain each week thirty-two large octavo pages, handsomely printed in double columns, with an engraved title.
TERMS.
Single Numbers, 10 cents.
Subscription price $5.00 per year, in advance.

1866. MAKE UP YOUR CLUBS.
THE NEW YORK NEWS,
The only Recognized Democratic Newspaper published in New York,
DAILY, SEMI-WEEKLY, AND WEEKLY.
TO THE PUBLIC.
THE NEW YORK NEWS has battled against despotism for four years of blood and terror in assertion of the sanctity of the Constitution. A patriotism sufficiently broad to embrace both sections has been its only guide, and it refers now with honest pride to its record to show that it has not turned to the right or the left under all the violence of arbitrary power.
True to its principles as THE NEWS has been through the reign of terror, it challenges public confidence in its honesty and independence for the future.
The political transition of the present day opens to THE NEWS a new and wider field of usefulness. Standing now as it always has, on the inviolability of the Constitution, according to the interpretation of the strict constructionists, it presents a rallying ground for all, in both sections, who are friends of a generous conservatism. As a true and tried exponent of sectional amity it occupies a position which makes it the fitting mediator in holding up to the party of order in both sections, interests and principles that gave breadth and vitality to their alliance. As an intersectional agent, devoted to freedom of election, to trial by jury, to the sanctity of the habeas corpus, and opposed now, as for four years of terror it has been, to the centralization that dares to trample on the rights of States, North or South, THE NEWS places itself as a candidate for support before the great body of this once free people.
The circumstances of the moment make the dissemination of the principles of THE NEWS a duty of individual patriotism. Every man who concurs in its doctrines must if he entertain a true sense of freedom, do so in no spirit of indifference, but rather with the earnestness of a high trust. Justified, nay bound in his love of liberty to do so, the proprietor places the canvass he makes here of the public generally in the hands of those men who give him the approval of their consciences as his individual agents. Every reader of the THE NEWS cannot avoid the conviction of duty which is here pointed out as the ground of the request, that he urges his claims for a wider support upon all of his friends and neighbors who give their earnest sympathies to the cause of "strict construction," intersectional conciliation, and all the rights of the citizen under the system set up by our fathers of liberty regulated by law. The proprietor of THE NEWS calls, therefore, upon true and good conservatives throughout the country to discharge, to their convictions of political right at this great crisi in the country's fortunes, the duty of giving to the influence of his paper, daily, semi-weekly, or weekly, the wider power for good which it seeks here through the service of its individual supporters.

FROM THE
LARGEST
MANUFACTURING CHEMIST
IN THE WORLD.
I am acquainted with H. T. Helmbold; he occupied the drug store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise.
WM. WEIGHTMAN,
(Firm of Powers & Weightman,)
Manufacturing Chemists,
Ninth and Brown Streets, Philadelphia.
[*From the Phalad'a Evening Bulletin, Mar.*. 10.]
We are gratified to hear of the continued success, in New York, of our townsman, Mr. H. T. Helmbold, Druggist. His store, next to the Metropolitan Hotel, is 28 feet front, 230 feet deep, and five stories in height. It is certainly a grand establishment, and speaks favorably of the merit of his articles. He retains his Office and Laboratory in this city, which are also model establishments of their class.
The proprietor has been induced to make this statement from the fact that his remedies, although advertised, are
GENUINE PREPARATIONS,
And, knowing that the intelligent refrain from using any thing pertaining to Quackery, or the Patent Medicine order—most of which are prepared by self-styled Doctors, who are too ignorant to read a physician's simplest prescription, much less competent to prepare pharmaceutical preparations.
THESE PARTIES RESORT
to various means of effecting sales, such as copying parts of advertisements of popular remedies, and finishing with certificates.
The Science of Mddicine stands SIMPLE, PURE, and MAJESTIC,—having Fact for its Basis, Induction for its Pillar, Truth alone for its Capital.
A WORD OF CAUTION.
Health is most important; and the afflicted should not use an advertised remedy, unless its contents or ingredients are known to others besides the manufacturer, or until they are satisfied of the qualifications of the party so offering.

For Coughs, Colds, Croup, Whooping Cough, Asthma, Bronchitis, Spitting Blood, Pain and Weakness of the Breast, Difficulty of Breathing, &c.
This is no new remedy. It has been used for a number of years in Maryland and parts of Pennsylvania, and has, wherever known, acquired an unprecedented reputation for curing the various diseases for which it is recommended.
So apparent is its usefulness, and so remarkable has been its cures, that it is fast superceding every other remedy for those diseases. The afflicted can rely upon its doing as much for them, and in many cases more than any other remedy now before the public.

DISEASED LUNGS,
thus striking at the root of disease, and driving it from the system.
CROUP.
This disease is announced by difficulty of breathing, shrill whistling or wheezing, hacking cough and threatened suffocation, &c. It mostly occurs in young children. No child need die of croup if this Syrup is properly used and used in time.—Mothers having croupy children should watch the first show of the disease, and always keep this remedy at hand.
For coughs after measles this syrup is most excellent. Experience has proven that it is equalled by no other preparation
